December 15, 2011

Dear <<Name>> <<lastname>>,

We are pleased to announce that the official merger with Southern Security Federal Credit Union will take place the first quarter of 2012. There will be no immediate changes to you. In the coming months you will receive additional information about the data conversion as details get worked out. You will be notified of your new account number and timeline when you will start receiving new checks, new debit card, etc. The conversion date is expected to be April 1, 2012.

When the conversion takes place you will then have access to all of the services of Southern Security FCU including all of the additional branch locations, ATMs, etc. Some of your PECU staff is already training with Southern Security FCU so that they will be ready to serve you as quickly and efficiently as possible.

Enclosed is a list of frequently asked questions. These should help answer most of your questions today. These also will be posted on the webpage with updates will be added throughout this process. You will continue to receive more information from Southern Security as they get details worked out.

On behalf of the board I thank you for your membership and patience as we work through the details on bringing these two fine institutions together.

Sincerely,

A handwritten signature in blue ink that reads "Bennie L. Davis". The signature is written in a cursive style.

Bennie L. Davis  
Chairman

PS Remember, you don't need to change anything to continue using your PECU accounts!
